What Some of Our Clients Say

"Safety Stars provided us with exceptional IOSH Managing Safely training at the Cambridge Corn Exchange. The sessions were not only thorough but also highly engaging, with practical examples that resonated with our team. Since completing the training, we've observed a significant improvement in our team's confidence and awareness of safety practices."

- Tom Thurbon, Venues General Manager, Cambridge Corn Exchange

"Safety Stars have worked closely with us to deliver excellent training and customer satisfaction for Mental Health and First Aid at Work training. The training is diverse and bespoke to our requirements and includes active scenarios with participation from our staff. Our staff thoroughly enjoyed and engaged with the knowledgeable Safety Stars Trainers, leaving them feeling confident with the skills they have acquired."

- Sarah Joomun, Occupational Health and Safety Manager, London School of Hygiene and Tropical Medicine
